

Here's a Peek at Our Week!

For the week of May 22-23

Mrs. Mann

It is bittersweet writing this final parent letter for our 2nd grade year. I have been blessed with the best possible group of second graders, and these kids will forever hold a special place in my heart. I am so thankful for all you do as parents and that you chose to send your child to SMS. So from the bottom of my heart, THANK YOU.

This week, we worked on our memory books and reflected on the wonderful year we've had together. We also "filled each other's buckets" by thinking of positive things we could say about each of our classmates--look for those in your child's folder :) This went along nicely with Religion this week, where we talked about love and respect for God and our neighbors. We also started our Step Up to 3rd Grade math, and the kids are off to a great start! I encouraged my students to not only practice their addition/subtraction fact this summer, but start working on multiplication, too! I know some of them already have!

Next week, we will end the year with fun activities, having Spirit Day at the City Park on Monday and Field Day out on the parking lot on Tuesday. Your child will need a drink for lunch both days; please send in a bottle of water marked with your child's name for lunch each day, and feel free to send in an extra water bottle for them to drink as needed during our activities.

~HAVE A WONDERFUL SUMMER!!!~

Important Dates:

- May 22--Park Day (11a.m.-1p.m.)
- May 23--Field Day
- June 6--June 8--VBS at St. Mary's (9:00a.m.-12:00p.m.)
- June 9--SMS office closes
- July 17--SMS office reopens
- August 8--SMS Registration
- August 14--1st day of 3rd grade for these kiddos!!

notes

Preregistration is taking place in the school office. The packets sent home are due by May 23 to avoid an extra fee.

After the school year concludes, the school office will be open from 8am-12pm daily until June 9. The school office will then close on June 9 and reopen on July 17.

Please email Mrs. Brogan @ cbrogan@smsrockets.net if the office is closed and immediate assistance is needed.

Step up to 3rd Grade Math

I am sending the remaining lessons for Step up to 3rd Grade math along with the workbook pages home with your child. It is just a preview of the topics that will be taught next year, and it is up to you if you would like to work on these with your child. Regardless, this material is yours to keep and will not need to be returned. Thank you!
