# Mrs. Garcia's Classroom News

## NOTES

We had a blast at our field trip! We got to start the trip in the Koch Immersive Theater where we took a tour of the planets and looked at constellations. Then Mr. Jim Price did hands-on Science demonstrations for us. We ate a picnic lunch outside followed by a recess in a nearby playground. We then finished up by exploring the rest of the Museum. It was a great day and our students were fantastic! They always make us proud!

**\*\*I could use another parent helper for the school field day. If you are interested please let me know as soon as possible!**

## WHAT WE ARE LEARNING

With only 7 days left of school, this week will be spent wrapping up each of our subjects. In Math, we will be finishing bar and pictographs and we will have a chance to do some fun Math activities. We decided as a class to take only one Spelling Test for our final chapter. The test will be on Wednesday. In Science we will learn about electric energy and energy sources. Students must have their 5 points for the quarter by Wednesday, May 17. I don't want anyone missing fun activities because they haven't reached their point goal.

**\*\*Preregistration is currently taking place in the school office for next year! The packets sent home are due by May 23<sup>rd</sup> to avoid an extra fee.**

From Mrs. Caroline Trimble DRE:

The 100<sup>th</sup> Anniversary of Our Lady of Fatima is May 13<sup>th</sup>. A Traveling Statue of Our Lady of Fatima will begin weekly visits to parish and school families. It is a tremendous blessing to have Our Lady in your home. Once in your home, you are asked to keep her in a place of honor with candles, flowers, Bible, etc. You are also asked to pray the rosary, other prayers and spend time with her. Please sign up on the Home Visit sheet for a one week visit. The Blessings await.
