

# 8th Grade Newsletter

May 12, 2017

Wow! Where has the time gone? Your children only have two more days at St. Mary's School. Those days will be very busy. We will practice Monday morning for Tuesday morning mass and then they will go to the rest of their classes for one last time to turn in books and last minute assignments. Tuesday morning will be mass at church. They will wear their caps and gowns. Some of the awards will be given and the video will also play during mass. After mass we will have graduation practice until lunch time. We will come back to school to have lunch, that my parents are helping with. Kay has the menu that was picked out by the students. They can go home after lunch to prepare for graduation. They will need to be back and ready to go in the Parish Center at 6:00. I am looking into some things to do on Wednesday. The kids like the idea of Sky Zone on Wednesday morning, CeCe's pizza for lunch, and then come back to the McCorkle's for swimming in the afternoon. I will let you know exact details on Monday because Sky Zone hasn't returned my call. I will need at least one parent to volunteer to drive to Evansville. Please contact me if you are interested in going.

I want all of you to know that I have thoroughly enjoyed being your child's homeroom teacher for these two years. I want to wish them all the best and pray that they will grow into successful, mature adults. Thank you for sharing your children with me.

**Note from church-** The 100th Anniversary of Our Lady of Fatima is May 13th. A traveling statue of Our Lady of Fatima will begin weekly visits to parish and school families. It is a tremendous blessing to have Our Lady in your home.

Once in your home, you are asked to keep her in a place of honor with candles, flowers, Bible,... You are asked to pray the Rosary, other prayers, and spend time with her. Please sign up on the Home Visit sheet for a one week visit. The Blessings await...
