August 2017

Welcome to Kindergarten!

I am very excited that I will be your child's teacher this year and have been busy setting up our classroom and getting items ready for our first day of school.

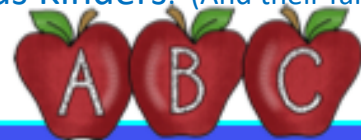

Final Registration: It was great to reconnect with families of former students & exciting to meet new families. ☺

Please call the school at 618.263.3183 or email me at tspencer@smsrockets.net for ANY information you need.

A Little About Me...

I am a graduate of St. Mary's Catholic School & MCHS, going on to complete my Bachelors of Science in Education at Eastern Illinois University at the exact time our Parish Council decided to begin a Kindergarten Program. This begins 30+ years teaching SMS KDG and I absolutely love it! God has certainly blessed me with this ministry & passion. I never tire of incorporating fresh and innovative ideas to make the learning process a magical and memorable adventure for my precious Kinders. (And their families!)
