Thank you, (AGAIN) Irwins!

Dayton's ewe, Sweetie delivered a newborn lamb on Monday. Dr. Gail brought it in to us Wednesday. It was 1.5 days old and sooooo cute! It's coat looked similar to a calico kitten, so they decided to name it Cally. Each Kinder was able to hold the baby and watch this little mammal drink milk from her mama. Bringing these livestock experiences to us hasn't been simple or quick, but they've done it with a smile each time & enriched ALL our lives. ☺

Sadly, Tuesday we will be saying goodbye to Dayton & his parents as they are moving out of the immediate area. May God continue to bless them abundantly. They will certainly be missed, & go with our prayers, love, and gratitude. ☺
