Summer's Here

Summer's Here!
Another year
Of school is at an end.
We've learned a lot
And grown a lot
And made a lot of friends.
We'll say goodbye,
Now summer's here,
It's time for us to part.
But we'll remember all our friends
And keep them in our hearts.

Notes

For summer fun and learning there is a great app you can get for iPads from the Handwriting Without Tears Program called "Wet, Dry, Try". It teaches capital and lowercase letters and numbers and how to write them correctly. The preschoolers have been using it here at school. There is also a great website called ABCmouse.com that is packed full of fun learning activities that is sure to keep your little one busy through the summer months.

Check out our school website: smsrockets.net for pictures. We hope to have them all uploaded by the end of the week.

Thank you for sharing your Little Blessing with us this year! Have a GREAT summer!!
